Forest Fire Warnings

State Forester Lull has sent out for publication warnings against forest fires. With the coming of the dry and camping season, fires are constantly breaking out and destroying a large amount of property. Not only are the grazing ranges for stock swept clean and valuable timber burned, but buildings and grain fields are often sacrificed to the criminal carelessness of some camper. It is a misdemeanor punishable by a fine of not less than $25 and not more than $500 and imprisonment of from 15 days to six months, or both. The following acts came under the ban of the law:

1. To set fire on the lands of another, except camp fires, which may be built on unenclosed lands if the owner has not forbidden it in any way, and provided the builder totally extinguishes the fire before leaving it.

2. To allow fires, lawfully set, to escape from the control of the person having charge thereof, or to spread to the lands of another.

3. To build a fire anywhere (except camp fires and fires set to facilitate redwood logging), without first securing written permission from a State Fire Warden.

4. To use any engine or boiler burning fuel other than oil, unless the engine or boiler is equipped with adequate device to prevent the escape of fire from any part.

5. To refuse to obey the summons of any State Fire Warden to fight fire. (For this the fine is not less than $10.) The state forester calls attention to the fact that the light rainfall of last winter and the long spring drought makes the danger of fire this summer particularly great. On that account, every precaution to guard against it should be taken. He says: "If you have evidence that the State Forest laws have been violated place it in the hands of your district attorney at once, and notify the State Forester. All violations will be prosecuted whenever sufficient evidence to secure a conviction can be gathered."

"The Golden Bear"

The demand for the high school paper, "The Golden Bear," promises to exceed the supply. The scholars of the high school surely deserve much credit in the work and talent shown in their first effort at journalism. The paper contains historical sketches, stories, essays, joshes and cartoons, all the work of the scholars. The paper will be given to the public at the high school grounds at the commencement exercises, Wednesday evening, June 3rd. If you fail to secure a copy you will certainly miss one of the good things of life. Owing to the limited supply, "The Golden Bear" will be sold for 15 cents per copy.

Funeral of Mr. Chauvet

The funeral of Joshua Chauvet took place last Saturday afternoon. The services were conducted by Rev. Father O'Brien, and were held at the late residence of the deceased in Glen Ellen, the body then was taken to St. Francis church, Sonoma, where appropriate services were held. A large number of the citizens of Glen Ellen, Sonoma and the valley attended the services and accompanied the remains to their last resting place in Mountain cemetery.

A. E. Sondag, the Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of the trade. Give him a trial order for a good suit and you'll be satisfied.

Lemoine Winery Burned

The Frank Lemoine winery near Glen Ellen, was burned on Saturday afternoon. This is the third time the winery has been destroyed as the result of the dastardly work of an incendiary. It also makes the third time that the fiend has taken advantage of the absence of the Lemoine family to sneak in and apply the torch. Despicable indeed was his selection of a time in this occasion. While the family were away paying the last tribute of respect at the funeral of an old friend and neighbor, Joshua Chauvet, the fire was started.

The winery was built of stone and the tanks were made of cement, consequently, Mr. Lemoine felt that in case of another fire his stock would be safe. But the miscreant who set the fire to the winery, first took time to knock all the plugs out of the tanks so that the wine would run to waste. The cellar contained thousands of gallons of wine, which consisted all of the product of last year's vintage which the owner was holding on account of the low prices prevailing the past season:

On account of the two previous fires of an incendiary nature, the insurance companies did not care to take the risk, consequently the cellar and stock carried but little insurance. It is also reported that within the past week, some person unknown visited Mr. Lemoine's vineyard and cut off every other vine at the root. This piece of work was undoubtedly done by the same person who set fire to the winery. The thing demands a thorough investigation.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Popsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthening the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by L. S. Simmons.

A Tulare hunter has pulled down a $20 bounty for killing a mountain lion in the mountains in the eastern edge of Tulare county.

The Most common cause of Suffering

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by L. S. Simmons.

The State Game Commission reports that 250 lions have been killed in the State within the last six months.

Chronic Constipation Cured

One who suffers from chronic constipation is in danger of many serious ailments. Foley's Orino Laxative cures chronic constipation as it aids digestion and stimulates the liver and bowels, restoring the natural action of these organs. Commence taking it today and you will feel better at once. Foley's Orino Laxative does not nauseate or gripe and is pleasant to take. Refuse substitutes. L. S. Simmons.

Price less than cost. For full particulars call or address Expositor office, Sonoma, Calif.

Annual Meeting

The annual meeting of the First Congregational Church was held last Wednesday evening. A banquet was spread by the Ladies' Aid Society, and a goodly number of the church people and members of its related societies joined in the repast and in the social hour.

The reports of the business meeting showed the finances in an unusually good condition and the Sunday-school and the various societies of the church flourishing.

The board of directors reported almost enough money secured and in sight to proceed to the building of a parsonage, and it is expected that this enterprise will be begun very soon.

A vote of thanks was tendered the Ladies' Aid Society for the bountiful supper provided by them, and a like token of appreciation was offered the retiring board of directors for their efficient management, and the treasurer for his excellent service and well-prepared report.

The elections resulted as follows:

Deacons—B. F. Campbell, Horatio Appleton.
Clerk—Mrs. Georgia Munfrey.
Sunday-School Superintendent—Mrs. F. T. Duhring.
Assistant—Mrs. J. E. Van Hoosear.
Treasurer—Henry Waters.
Directors—Horatio Appleton, William H. Hyde, Henry Waters, John W. Morrissey, Fred W. Dobbel.

Runaway Accident

While Miss Opal Hays, daughter of Rev. and Mrs. G. W. Hays of Petaluma, and sister of Dr. W. B. Hays of this place, was returning to that city from her school in San Antonio district on Monday afternoon, her horse took fright at an automobile and threw her out of the buggy. She rolled down an embankment a distance of fifteen feet and sustained a sprained ankle and some bruises. The horse got tangled up in a fence, but was not badly hurt. The man in the auto drove Miss Hays into town and rendered her every assistance.

Ball at Glen Ellen

Next Friday, June 5th, the Woman's Improvement Club of Glen Ellen will give another of their delightful balls at Mervyn Hall. Excellent music has been secured and the floor will be ably managed and all who attend are assured of having a good time. Go, and not only enjoy yourself but also help along a good cause.

High School Commencement Exercises

The Sonoma Valley Union High School has taken a departure from the established precedents of the past in regard to the place of holding the annual commencement exercises. They will be given this year from the vestibule of the new high school building, on the evening of June 3rd.

The grounds are to be seated for the accommodation of all who may attend, while Japanese lanterns will furnish the illumination. Other decorations are to be used in beautifying the building and grounds.

There are five graduates, four of whom will deliver orations. Besides the music to be furnished by our best local talent, there will also be several selections rendered by a Santa Rosa quartet. The formal address of the evening will be given by Rev. T. A. Boyer, of Oakland.

The public is most cordially invited to be present on that occasion. Exercises to begin at 8 o'clock.

His Last Goodbye

Little did the friends of Frank Eddy, who has been a copyist in the office of County Recorder Fred G. Nagle in Santa Rosa, think when they said the customary "goodbye" last week, prior to his going to his home at Petaluma, to spend Sunday, that it was the last "goodbye." It was though. Early Monday morning he died in the French Hospital. His parents are beside themselves with grief. In their hour of trial many people in Santa Rosa, friend's of Frank's, remember them in sincerest sympathy. About the Recorder's office on Monday a gloom was cast. It seemed hard to realize that Frank A. Eddy's good-natured face would be seen no more there, and that his merry voice was stilled forever. Yet such is life and death.—Press Democrat.

Can't Beat Sonoma

Sunday we noted automobile parties from Santa Rosa, Healdsburg, San Francisco, San Rafael and Petaluma, beside many that we were unable to learn from where they came. Owners are realizing that there is no finer section in northern California for an outing than the Sonoma valley. The scenery cannot be excelled anywhere, and climate—well say! It will average away above the climate of any other section, even if the weather clerk is cranky this year.

Concert Next Thursday

The Boys' Band of the Masonic Home at Decoto, which will give a concert and ball at the Union Hall Thursday, June 4th, is said to be composed of finished musicians and a musical feast is promised all fortunate enough to attend. Arrangements have been made to furnish seats for all. Don't forget the date, next Thursday, June 4th. Admission to the concert and ball 50 cents.

A Hot Game

Last Sunday afternoon the El Verano baseball club, crossed bats with the Sonoma nine. The game was an interesting one and was witnessed by a large and enthusiastic crowd. The game was played on the Bellevue grounds at El Verano. The score stood 23 to 18 in favor of the Sonoma club.

Card of Thanks

Mr. and Mrs. Lemoine extend their heartfelt thanks to the kind neighbors and friends who sympathized and offered assistance in endeavoring to save their property last Saturday.

All the latest in spring millinery at Hotz's.

A COMING EVENT

Tuesday evening, June 16th, the closing exercises of the Presentation Convent school, will take place in Union Hall. Careful preparations are being made in arranging the program which will be of a dramatic and musical nature. The Convent has always been noted for its careful training of the children who take part in their annual entertainments and this year will be no exception, as special pains will be made to surpass all previous efforts.

Big Reward

The burning of the winery of F. Lemoine has stirred up the insurance companies which carried the risk, and they each offer a reward of $500 for the arrest and conviction of the incendiaries. Mr. Lemoine also offers a reward of $500, thus making an aggregate of $1500 reward for the apprehension of the guilty party or parties.

Employed More Men

Cantoni & Pinelli, proprietors of the Old City Bakery, have employed the services of another baker and after the first of June will begin to make and put on the market first-class American and French bread. They will also bake and carry in stock a full line of pies, cakes and cookies, in fact, every thing found in a first-class bake shop.

Will Have Seats

The committee in charge of the Grand Band Concert and ball to be given in Union Hall, Thursday evening, June 4th, have arranged to have plenty of seats in the hall on that occasion. You'll not have to stand while listening to the concert.

Will Make Daily Trips

Commencing Sunday S. Ciucci will run his bus daily between the Toscano Hotel and the hot springs for the accommodation of his guests. The bus will also make all trains. Mr. Ciucci has recently purchased a fine team of horses and will have as fine a turnout as there is on the coast.

CARD OF THANKS

The family and relatives of the late Joshua Chauvet, wish to express their heartfelt thanks to the many kind friends and neighbors who gave them their sympathy and assistance during their recent bereavement.

Did it ever occur to you that your own prosperity and the prosperity of the town depended many times on the treatment of the newcomers. Every new man who becomes a citizen of Sonoma, transfers his allegiance from some state, town or city puts in a certain amount of capital but will be increased if he is treated right. Friends of his will be influenced to come with their capital and added energy and the whole community reaps a benefit. Do You Feel Chilly, Then Feverish and Ache all Over?

Feel Worn-out, Blue and Tired? Have You a Fresh Cold, With Frequent Hacking Cough? Sensation of Soreness in the Chest or Back?

Don't let your case run into bronchitis, or some other obstinate and dangerous malady. The very best medicine to take in such a case is Dr. Pierce's Golden Medical Discovery. Made without alcohol or dangerous drugs, it contains that rare combination of native medicinal roots that will allay a cough (iron it out, as it were), restore the circulation, assist the appetite and digestion, and consequently restore tone to the entire system. That is the reason people look happy once more after taking it—they feel like living, because their liver is active, the blood in their arteries is full of that life-giving quality—rich, red blood. The blood in turn feeds the nerves.

Nervousness and neuralgia are only the indication that the nerves are not fed on invigorating blood. This "Medical Discovery" of Dr. Pierce is nature's own restorer. It tones up the organism and invigorates its functions, furnishing to the body one of its necessary constituent principles of which it is in need.

This preparation is of pleasant taste, agrees perfectly with rebellious and sensitive stomachs, and is extremely effective in restoring tone and vigor to the entire system. It cures troubles of the stomach and at the same time the blood-vessels are given such a toning up as to throw off a cold. One very good reason why it restores the health of run-down, pale and emaciated people is because it first throws out the poisons through the liver and kidneys. It then begins its reconstructive work in building up flesh and making good, rich, red blood.

"I have been a sufferer from indigestion for some thirty years, at times," writes Mr. S. W. Mullenax, of Circleville, W. Va., "and have used medicine from several of our best physicians, which gave me only a little temporary relief. They said I could never be cured. Last winter I was stricken with the worst spell that I ever had. I suffered with such severe pains in the pit of my stomach that I could neither work nor sleep, and my weight went down from one hundred and ninety-five pounds to one hundred and sixty pounds in about two months' time. I then concluded that I would try Doctor Pierce's Golden Medical Discovery. By the time the first bottle was gone, I felt some relief from my severe suffering so continued until I had used four bottles of 'Golden Medical Discovery.' I am truly thankful for the great benefit which I have received from your medicine, and can cordially recommend it to others."

It Stands Alone not only in respect to its ingredients but also as the only medicine for stomach, liver and blood disorders, which absolutely CONTAINS PURELY VEGETABLE AND PERFECTLY HARMLESS INGREDIENTS, WITH NO ALCOHOL.

It Stands Alone as the best alterative medicine, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do, because his "GOLDEN MEDICAL DISCOVERY" is made of such ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

It Stands Alone as Nature's cure for many chronic diseases and its ingredients are: Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot, Mandrake root, and chemically pure glycerine.

Remember, these are the ORIGINAL Little Liver Pills, Pierce's Pleasant Pellets first put up by old Dr. R. V. Pierce, over 40 years ago, and although much imitated, have never been equaled. Made of concentrated and refined medicinal principles, extracted from native American plants and roots, therefore purely vegetable and perfectly harmless. One little Pellet for a stomachic, or stomach and bowel regulator, three tiny granules for a cathartic.

"Is there no hope?" murmured the doomed commercial traveler.

"None," hissed the ebon chief.

"Then," said the young man, pointing to his sample case, "if you are determined to eat me, at least let me ask you, as a last favor, to try our brand of mustard with the feast. I am convinced that one trial will secure us your permanent patronage, and I"—

But strong arms seized him here, there was a splash, and all was over.—Los Angeles Times.

Sensible Preference.

In one of Miss Mulock's stories she says that "a cheerful heart seeth cheerful things" and gives this incident in proof of it:

A lady and gentleman were in a lumber yard situated by a dirty, foul smelling river. The lady said, "How good the pine boards smell!"

"Pine boards!" exclaimed the gentleman. "Just smell that foul river!"

"No, thank you," was the reply; "I prefer to smell the pine boards."

No Reform Wanted.

"I hope he'll reform when you are married."

"I don't!"

"Why, he spends every cent he earns!"

"I know it, but he spends it on me."—Houston [illegible]

Sculptor (to his friend)—Well, what do you think of my bust? Fine piece of marble, isn't it? Friend—Magnificent. What a pity to have made a bust of it. It would have made a lovely mantelpiece.—Bon Vivant.

The Pleasing Garden.

If you have a garden it carries with it the satisfaction of going out early in May and gathering radishes, lettuce, young onions and spinach. A few weeks later early peas and beets are there for the taking. By the Fourth of July early potatoes, sweet and nutty, after a fashion never found in any store, can be dug. In succession follow snap beans, crisp cucumbers, tomatoes, corn that is sweet in something more than name and muskmelons, fragrant, melting, delicious.

Deafness cannot be cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

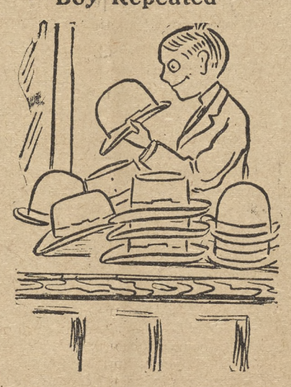
Wise Talks by the Office Boy Repeated



Ma says folks should not believe all they hear about their neighbors; that their hired girls may be inclined to exaggerate.

When I hear a clerk from another store handing one of our salesmen a package about the man he works for getting $3.00 for exactly the same hat that we sell for $2.00 and boasting that his boss knows how to make profits, I know that fellow ought to be muzzled. I know that the Raymond $2.00 hats would make awful good $2.50 hats in any other store in town, and I guess they're better and cost more than most $2.50 hats, but our boss insists on selling them at retail for $2.00 altho they're making 'em better all the time. When it comes to a $4.00 or $5.00 hat, there's only one hat to buy and that's a Stetson. We are agents for the "Stetson Special" $4.00 hats, and there is no doubt they're better than any other four dollar hat on the market. We have all competitors outclassed on values. Get your hats here and be satisfied.
